DIFFUSER OF YOUR CHOICE

Young Living's Seed to Seal Guarantee

Setting the standard for essential oil purity & authenticity by carefully monitoring the production of our oils through our unique Seed to Seal® process. From the time the seed is sourced until the oil is sealed in the bottle, we apply the most rigorous quality controls possible to ensure that you are receiving essential oils exactly the way nature intended.

what are essential oils?

- * Volatile aromatic liquids that come from plants
- * 100 to 10,000 times more potent than herbs
- * Fat soluble and rapidly absorbed by the body
- * Safe and effective natural option

how to use essential oils?

- * **Aromatic** – use in a diffuser
- * **Topical** – rub on skin
- * **Dietary** – add to drinks, shakes, food
